

SCUBA DIVING IN MUSA

The Cancun Underwater Museum is a unique place that has become one of the major interest for the scuba divers from all over the world.

During the tour you will visit one of the museum galleries which is located at the bottom of the Caribbean Sea just 20 minutes from the beaches of Cancun. After a short boat ride you will arrive to the dive point where you will be able to immerse and see a full collection of about 500 sculptures made of marine cement.

It is the best choice to explore the fascinating underwater world of the Caribbean Sea and visit one of the most important attractions of the destination.
