

Enjoy an exciting adventure in the tropical jungle with Maya cenotes and underground rivers!

It is one of the most complete full day tours with lots of outdoor activities. During this adventure you will have a chance to swim in the longest underground river in the world, abseil in the caves of the cenote and go by all-terrain vehicles through the rainforest of Yucatan.

And that's not all! As a part of the tour "Jungla Maya" you will have an unforgettable experience of flying on a zip line over the jungle, you will be able to participate in a Maya purification ceremony and you will enjoy a delicious buffet lunch that will surprise you with how tasty the traditional and handmade tortillas are.
