

GRAND
OASIS SENS
 THE PLEASURE RESORT

“Awaken all your senses in my romantic and elegant atmosphere. Relax in my oceanfront adults-only paradise where it's easy to explore your passions in a variety of ways. You can sip cocktails on the white sand beach or at my swim-up bar, then indulge in a blissful spa treatment followed by amazing live entertainment like my fire and drums show. I'm also quite the foodie, boasting upscale gourmet adventures like dining-in-the-dark at Black Hole and the molecular gastronomy of Benazuza.”
